Library News

It's the start of a brand new school year and fresh opportunities to explore all that the library has to offer. As students head back to class, the library continues to provide resources that support learning, creativity, and discovery. From books and eBooks to research tools, educational databases, and multimedia materials, a library card opens the door to knowledge, entertainment, and lifelong learning.

This month is also Library Card Sign-Up Month, making it the perfect time for new and returning patrons to make sure their card is active. To celebrate, anyone signing up for a new card will receive a Library Care Package, get entered into a drawing for a prize, and receive a \$5 credit toward our in-house book sale. Bring a friend along to sign up as well and share the experience of exploring the library together.

Our programs are back in September with a variety of opportunities for children, teens, and adults. Storytime for young readers takes place on the 1st and 3rd Fridays of the month at 10:30 a.m., while after-school programs will be offered on Early Out days starting at 1:30 p.m., featuring fun and educational activities. Be sure to watch our Facebook page and library website for updates on additional programs and events happening throughout the month.

We're also excited to welcome Connections back to the library. They will be offering their Cell Phone Class on Tuesday, September 23 at 1:00 p.m., providing hands-on guidance for using smartphones and mobile technology.

Construction on the new library gazebo is progressing, with completion expected by the end of September. This outdoor space will expand the library's capacity for programs, gatherings, and casual reading, creating a welcoming environment for visitors of all ages.

With the new school year underway, there's no better time to rediscover the library. Whether it's signing up for a card, joining a program, or simply finding a quiet spot to read, the library offers resources, experiences, and community connections that make every visit meaningful.
